

DIY Mother's Day 3D Card

1. Cut out the squares along dashed lines. Then color the squares as you like.
2. Fold squares in half with colored sides inside.

3. Glue the Half 1 to Half 2.
 4. Next glue together the Halves 3 and 4.
 5. Then glue one Half 5 to Half 6 and Half 7 to Half 8.
- The festive card is ready!

Glue the halves in order
